Are all shoes authentic?

All shoes are guaranteed to be 100% authentic. We do not sell, accept, or otherwise deal with fakes or factory variants. Buy with confidence as all shoes offered for sale are thoroughly inspected by our knowledgeable staff for condition and authenticity.

Do you buy shoes?

Yes, we offer QUICK CASH aka DIRECT PURCHASE. We will buy your shoes directly from you for a REASONABLE price. Please call us at (510)792-4090 or email us at solesupremacy510@gmail.com with items for sale and we will offer you a quote.

NON LOCALS(anyone who ships) - we DO NOT pay for shoes until shoes are received at our shop and inspected for condition and authenticity. After inspection is done you will be paid via paypal gift. If goods received are not authentic, you will have to pay shipping back or we will donate them to charity.

To receive a full quote all shoes must come with original box & accessories and must not have factory issues/blemishes/damaged box, etc. Shoes also must be shipped within 48 hours of form being sent to you via email for quote to be honored or else it can change up or down depending on the market.

If you receive a quote from another physical store higher than us, we will attempt to match or beat their price if proof of offer is valid. Request of a price match must be done before deal is made.

Do you trade shoes?

YES, ONLY IN STORE. We trade if the offer is reasonable. When trading, we need to BENEFIT or we'd rather make a sale. Email us your offers.
